Experience, Specialist Skills/Training and Qualifications:	I have experience of working with individuals with both learning and physical disabilities as well as those with severe and enduring mental health issues. In the last 3 years I have mostly been working with people experiencing dementia. SVQ 3 Health & Social Care. Considerable training undertaken too with former employers.
Support Provided:	Personal Care, Social Support, Accompanying to appointments/events, domiciliary, assisting with medication, respite at home, administrative and other paperwork help as required.
About Me:	I enjoy walking, visiting interesting places (galleries, gardens), music (attending concerts), the cinema. I have a dog. I like cooking. I read a lot and enjoy puzzles, crosswords. I have travelled widely too and spent many years living in the highlands and islands.
Why I enjoy being a Personal Assistant	For the last 3 years I have enjoyed developing good working relationships with a limited number of clients experiencing dementia in order to assist them maximise their independence and presence in the community. It is rewarding to see people maintaining as normal a life as possible, both

	clients and their partners/families. References available.
